# Residential Traffic Calming Program

## What is traffic calming?

Traffic calming is the slowing of motorists on residential streets using physical and non-physical measures without restricting access. Because addressing speeding on one street will likely push the problem to adjacent streets, traffic calming is a community initiative, and will likely include several or more streets within a community.

## A street must satisfy basic requirements to be eligible for the program:

- ☐ Publicly owned and maintained
- ☐ Classified as a local residential roadway
- ☐ 2-lane roadway
- ☐ 25 mph posted speed limit (or less)

## What is the traffic calming process?

- ☐ Traffic Study
- ☐ Stakeholders Meeting
- ☐ Petition Process
- ☐ Traffic Calming Plan

## Typical Physical Measures

Speed Humps, Raised Crosswalks, Choker, Mini Roundabout, Chicane, Raised Median Island

**For more information, please contact DTCL at 703-737-8624, or take a brochure.**

# Traffic Projects

**The Ashburn area has experienced the completion of several important road improvement projects.**

- **The opening of the Gloucester Parkway Extension which will relieve traffic pressure on Waxpool road.**
- **The extension of Russell Branch Parkway from Ashburn Village Blvd. to Ashburn Road.**

# Traffic Projects

- **The construction of the Rt. 7 interchanges at both Belmont Ridge Road and Ashburn Village Blvd. are progressing as scheduled.**
- **The estimated completion for Ashburn Village Blvd. is the summer of 2018.**
- **The interchange at Belmont Ridge is scheduled for completion in the fall of 2018.**

# Dulles Corridor Metrorail Project

The Dulles Corridor Metrorail Project is a 23-mile extension of Washington's existing Metrorail System. It is being built in two phases by the Metropolitan Washington Airports Authority (MWAA). Known as the Silver Line, the extension is operated by the Metropolitan Washington Area Transit Authority (WMATA).

Preliminary construction for Phase 2 began in 2014. It will run from the eastern edge of Reston, westerly towards Washington Dulles International Airport and Ashburn in eastern Loudoun County. Phase 2 will include six stations along 11.4 miles from the Wiehle-Reston East Station to Ashburn. Loudoun County station locations are:

- Route 606 Station\* is along Route 606 on the west side of Dulles Airport in the median of the Dulles Greenway (at grade).
- Route 772 Station\* is in the median of the Dulles Greenway at Route 772/Ashburn Village Boulevard (at grade).

**A completion date has not been set, more information is available at:

# Riverside Fatal Crash

On August 31, 2016 a mother and her baby were crossing Riverside Parkway at Coton Manor Drive. The two were struck by a vehicle while they were crossing in the crosswalk.

After a thorough investigation by LCSO Traffic Safety Unit, the driver, John Miller IV was indicted by a Loudoun County Grand Jury for Involuntary Manslaughter, Reckless Driving and Failure to Yield to a Pedestrian in a Crosswalk.

# LCSO Advises Residents of Recent Scams

## FAILURE TO PAY FINES/FAILURE TO APPEAR SCAM:

Caller claims to be from a local law enforcement agency and advises that a warrant has been issued for the victim's arrest for nonpayment of an alleged fine or failure to appear for jury duty.

**Even if you have committed an offense that could result in a fine or warrant, law enforcement officials will never contact you by phone to collect payment.**

\*\*\*Other scams involve alleged nonpayment of utilities or nonpayment of taxes.

The victim is provided instructions to purchase a prepaid money card and to provide that number to the caller for verification. Upon doing so, the funds are transferred to the suspect.

**Often the callers are conducting their activity from foreign countries, making recovery of your money and legal prosecution nearly impossible.**

## **WARNING** **Money Card Scams**

Scammers are claiming to be from the IRS, local law enforcement, and other government agencies. They convince victims they owe fines and could face arrest. In most of the cases the victims are asked to obtain money cards.

### **Protect Yourself!**

**CAUTION**

Be Suspicious of callers who demand immediate payment for any reason.

Never provide personal or financial information to anyone who e-mails or calls you unsolicited.

Don't wire money, provide debit or credit card numbers or Green-Dot MoneyPak or Reloadit card numbers to someone you don't know.

Remember utility companies and government agencies will not contact you demanding immediate payment by money cards.

If you were of a victim of a scam,  
please call 703-777-1021

# Kidnapping Scam

Residents in Loudoun County have reported a frightening scam. They have reported receiving phone calls where the caller claims to have kidnapped their family member. In some cases, the caller has a young female scream for help in the background.

The calls often appear to be international. The scammers are very familiar with family names, etc., and appear very convincing. Payment is demanded by wire transfer or prepaid cards because it is difficult to trace. The caller also warns against calling law enforcement.

**The FBI has called this scam “virtual kidnapping.”**

In another variation, residents reported receiving calls that their grandchild or other loved one has been arrested, and that they must pay certain sums in order to prevent them from being incarcerated.

- Limit the personally identifying information you post online, including your phone number
- If you receive such a call, attempt to contact the relative in question to verify the validity
- Never wire or conduct account transfers or pay by prepaid money cards to anyone that you do not know personally
